DECLARATION OF PARTICIPATION

Rules, waiver of liability and media utilization for the „Elbetreffen“ event

I take part in the event at my own risk. This includes all accompanying persons traveling in my vehicle, for whom I, as the registered driver, assume joint liability. By participating, I / we irrevocably waive any right of action against instructors, organizations, site owners and organizers for all accidents and damage arising in connection with this event. As the vehicle owner, I am liable myself - both for my own vehicle with which I take part in the meeting, as well as for damage to other vehicles or property caused by my actions or the actions of the accompanying persons traveling in my vehicle.

By signing this document, if a trophy or a material prize is won, I undertake to be available for some winning photos after the award ceremony, which will serve as proof to our sponsors. We therefore ask all participants to take part in the award ceremonies. The image rights for these recordings are automatically held by the Mitsubishi Fan Forum and its digital presence.

With my signature, I confirm that I have taken note of the content of this waiver of liability and that I have expressly recognized it.

With my signature, the receipt of a place order and an event program is also confirmed. In particular, I am now aware of the passage about the rules of conduct on the orientation journey and during the car parade, as well as the disciplinary measures for the participant concerned resulting from a violation of the rules of conduct! By signing this waiver of liability, I expressly acknowledge all of the rules and regulations on which the site is based!

We wish all participants, guests and visitors a nice meeting on the „Elbetreffen“ event.

Let's have fun and enjoy the time together.

Thank you for the confidence you have shown in these difficult times.
